Alice,
Do you know where we are with this information?
I will also followup with Dave especially regarding the USGS data, but do you have all the information you need for a timeline?
Thanks,
Cindy

Subject: Heads up - Pavillion

Bob S. asked me this afternoon about the timeline for getting the new EPA and USGS sampling results from Pavillion. He intends to schedule a meeting for early next week (he'll be on vacation the following week and wants to have this discussion before he leaves).
Fred
